Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Employing teacher aides for the P-3 classroom to work in both small groups and ‘one to one’ during literacy blocks
- All teaching staff attending Anita Archer PD to establish a whole school methodology around explicit instruction and best teaching practice
